

New SmartRecruiters Features Make Hiring More Efficient For Small Businesses

*Easier Candidate Management and New Career Site
Interactive Tools Add New Value for Users*

SAN FRANCISCO, CA – July 1, 2010 – The latest monthly release of SmartRecruiters, the free and easy [recruitment software](#) from MrTed Ltd., offers a number of new features and user-driven enhancements that make recruiting easier and more effective for small businesses.

Unveiled by MrTed a little over a year ago, SmartRecruiters is 100% free and designed to help organizations hire better talent faster and cheaper. With more than 3,000 small businesses using SmartRecruiters today, it is the fastest-growing recruitment software in the industry.

The monthly release of June introduces to SmartRecruiters new candidate and job management features, additional Career Site customization tools, newly integrated add-ons, and more. [Sign up](#) for SmartRecruiters today and take advantage of the latest new features and user driven enhancements.

:: Quick User Creation – create user accounts for colleagues with more ease and start using SmartRecruiters to its full potential: bringing hiring managers and recruiters in the system ensures you can make good use of the collaborative recruitment and hiring features and ultimately make better hiring decisions.

:: Easier Candidate Management – improved candidate management features include easy access to status changes, taking action on candidate profiles, collaborative reviews, quick applicant reject, and more.

:: Applicant Reassign to Job – another improvement to ensure easier and more efficient candidate management. It is now easier and faster than ever to move candidates to different jobs straight from the main dashboard view.

:: Twitter Widget for Career Site – let candidates keep track of what's happening in your organization with a Twitter feed. Use a general corporate feed or create a personal career focused feed. Take advantage of this new Twitter component along with the Linked Company

Widget and the rest of the interactive components to setup a great Career Site!

:: Job posting to SalesGravy - another new add-on now available to SmartRecruiters users is job posting to SalesGravy, a newly integrated job board connecting you to top sales professionals.
